VIDEO INTERVIEWING

Introducing CharityVillage's Video Interviewing

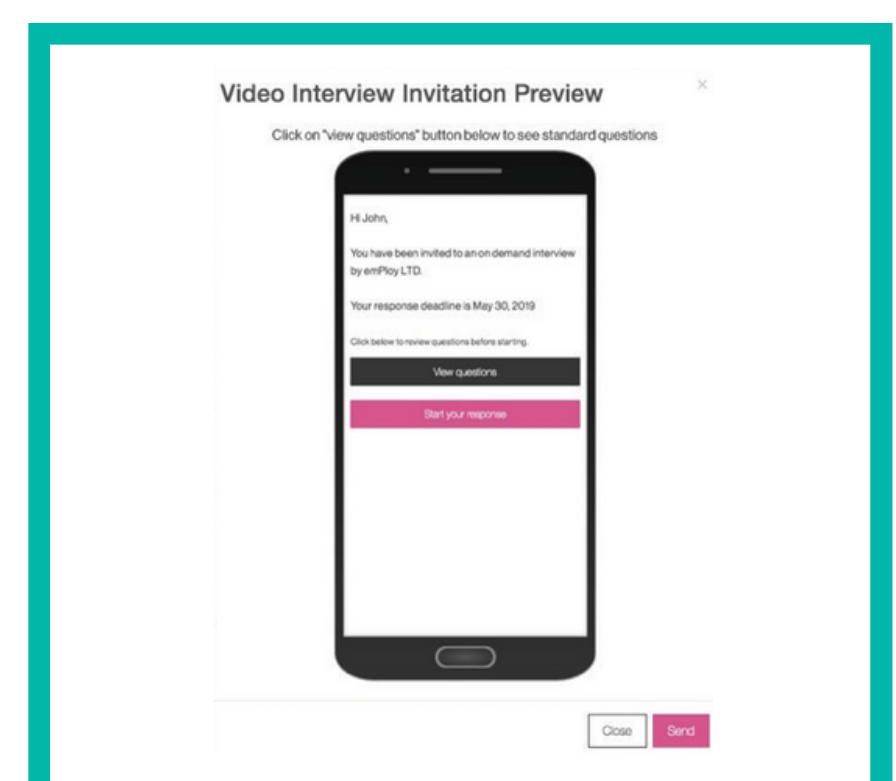

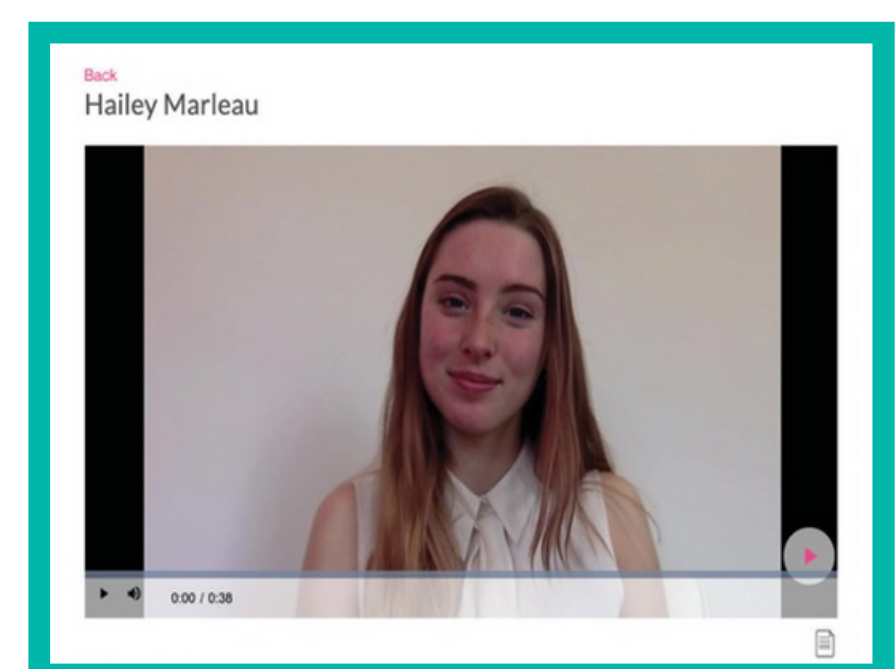

A fully virtual video platform that allows you to pre-screen and interview job candidates and volunteer prospects from the comfort and safety of your virtual office.

Features

Our cost-effective, customizable, and fully virtual video interviewing platform is the perfect solution for any hiring manager, recruiter, or volunteer manager. Invite selected job candidates and volunteer prospects to respond to a one-way video questionnaire in our **Pre-Hire Video Screening**. Use **Live Video Interviews** to meet your candidates live and ask them questions at an individual or panel interview. Questions are fully customizable and you can choose video or audio only. You'll save time and resources by using our **Pre-Hire Video Screens** and **Live Video Interviews** to efficiently assess fit when engaging and hiring new staff and volunteers.
